Development PNG is a new monthly magazine in Papua New Guinea that reports on developments nationwide with distribution focus internationally as well as throughout PNG. Our circulation and distribution nationwide includes provinces, government agencies, State Owned Enterprises and Statutory Authorities, Foreign Missions, Development Partners, Universities and Independent Development Advocacy Institutions in the Pacific and Asia. Our distribution point's country wide includes all major hotels and restraunts , super-markets and corporate organizations in PNG. Our distribution abroad includes Grand Pacific hotel in Fiji and Ibis hotel in Bangkok. Our distribution continues to extend both within PNG and abroad. Those who are interested to subscribe or advertise in the monthly magazine are welcome to contact us. We bring to you analytical and in-depth reports of development in PNG.
